Thanks Jim. I also noticed that RM 8-9 is missing TCDD TEQ values. I was able to get the values from the 2011 draft, so I have what I need for now.

Kristine, Integral is working on it and will get you a revised set of tables today. Jim.

Subject: Portland Harbor RI Section 5 Table 5.2-6

Jim – In the data products sent by Integral, Table 5.2-6 does not have total PCDD/F or TCDD TEQ values for RM 7-8. Please fix and resubmit so that I can complete my edits.

Thanks,
